Presents  
The 43rd Les Boutiques de Noel  
Bossier Civic Center  
November 16-19, 2017  
Thursday - Sunday*

Dear Prospective Merchant:

The Shreveport-Bossier Opera Guild will host its 43rd Annual *Les Boutiques de Noel* November 16-19, 2017. Once again, our event will be held at the **Bossier Civic Center** in Bossier City, Louisiana. We are pleased to invite you to apply to become one of the quality merchants with thousands of visitors that continue to make our market a success.

*Les Boutiques de Noel* is our major fundraiser and benefits the Shreveport Opera. Enclosed, for your consideration, is a merchant application along with information about the sizes and prices of the booths available.

Merchants are selected based on quality and uniqueness of merchandise and booth decoration. Please include merchandise photographs, photography of booth display, and the price point of your merchandise. All photographs should be labeled with your company's name. Photographs will not be returned. **Failure to provide any of these items may delay your acceptance into our show.**

The completed application, deposit and supporting materials must be returned via mail in order to be considered for our show. **Please note, an acceptance in the 2016 Les Boutiques de Noel does not guarantee acceptance in the 2017 show.**

**Once chosen, all merchants accepted will be sent an acceptance letter and a contract within one (1) month.** If a category is closed, you will be put on a waiting list, and your deposit will be returned. If a booth in that category becomes available, we will notify you and a contract will be sent.

Your booth assignment will be made after the selection process is completed and your signed contract as well as your final payment have been received. Location of your booth is at the discretion of the Boutique Committee. We do not take requests for booth locations from merchants applying to our show. Booth placement is based on timely admittance of contract, date final payment is received, as well as electrical use, type of booth, grids and set up requirements.

We look forward to an exciting and successful event and hope to see you there!

Sincerely,

*Jamie Morgan*
